

Property Owner Addendum

IMPORTANT: This form must be completed and signed by the property owner and attached to the appropriate Cool Cash Incentive program application.

Why do I need to complete this addendum?

If you are a property owner not listed on the account where qualified equipment was installed and you would like the incentive check to be made payable to you, it is necessary to complete this form and attach it to your application so we are able to verify ownership of the property.

To receive your incentive payment, you will need to provide property tax records, current and dated, clearly showing the following:

- Date of report
- Property tax physical address
- Full name of property owner (this name must match the name printed below)
