

The following is a listing of the evaporative cooling equipment systems that qualify for the replacement (\$100), new installation (\$300), premium (\$500) and premium whole-house ducted (\$1,000) incentives from Rocky Mountain Power’s Cool Cash Incentive program. This list may be updated periodically during the program year. If you do not find the equipment that you believe should qualify for the program on this list, please contact a participating dealer or the program administrator at 1-800-942-0266.

**Table I. Qualifying Premium Evaporative Cooling Equipment**  
**\$1,000 incentive for single-inlet and indirect/direct with whole-house ducted systems**  
**\$500 incentive single-inlet and indirect/direct without whole-house ducted systems**
