Terms and conditions

Incentive availability

Incentives are available on a first-come, first-served basis according to the postmark date on the application. Please reference the program Web site at rockymountainpower.net/hes to determine the current status of incentive availability. All equipment must be new and have been purchased and installed prior to submitting an Incentive Application. It is required that equipment be purchased and installed on or after January 1, 2010. Incentive will not exceed purchase price. Applications must include all information requested. Incentives are subject to tariff approval and may change with 45 days notice. Additional terms and conditions may apply. Please call us toll free at 1-800-942-0266 for current program requirements.

Qualifying customers

Residential electric customers residing in the state of Idaho who purchase their electricity from Rocky Mountain Power on rate schedules 1 or 36 qualify. Landlords who own rental properties served by the company in the state of Idaho where the tenant is billed on rate schedules 1 or 36 also qualify for this program. You can find your rate schedule on your bill, by calling toll free 1-888-221-7070 or by logging in at rockymountainpower.net. Incentive checks will be issued in the name of the customer on the qualifying account.

Qualifying equipment

Qualifying products and services may be found online at rockymountainpower.net/hes or by calling us toll free at 1-800-942-0266.

Application details

Rocky Mountain Power reserves the right to conduct random inspections to verify information provided on the application. If your application is selected for review, it will not be processed until the review is satisfactorily completed. Incentive qualifications and amounts are subject to change and termination with 45 days notice. Rocky Mountain Power customers should visit the program Web site at rockymountainpower.net/hes.

The customer hereby transfers to Rocky Mountain Power all "Environmental Attributes" attributable to the Qualifying Equipment or its operation. Environmental Attributes include any and all credits, benefits, emissions reductions, offsets and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil or water at or by PacifiCorp generating facilities through reduced generation of energy or other savings or offsets on account of the Qualifying Equipment. The customer will not claim ownership of any Environmental Attributes. As long as the customer at the same time states the Qualifying Equipment was made possible with funding from Rocky Mountain Power, the customer may claim that it is facilitating the production of the Environmental Attributes attributable to the Qualifying Equipment.

Rocky Mountain Power issues incentives in the form of checks not utility bill credits. Rocky Mountain Power is not responsible if your dealer provides inaccurate information about the amount and/or conditions of the actual incentive and Rocky Mountain Power will not pay incentives for equipment that is mislabeled or misrepresented by dealers regarding incentive qualifications. Incentives are limited to one per qualifying household per equipment type except in the case of lighting fixtures and ceiling fans. A household may receive incentives on up to 10 qualifying lighting fixtures and ceiling fans. Households receiving incentives under the Home Energy Savings program may not receive equipment purchase and installation incentives under other Rocky Mountain Power programs.

The Rocky Mountain Power Home Energy Savings program does not share your e-mail address or contact information. If you chose to provide your e-mail address and indicate that you wish to be contacted via e-mail, you may receive program correspondence electronically.

Incentive Applications and all required information and documentation must be received within 90 days of purchase or installation. Failure to include complete materials may result in denied or delayed incentives.

Your incentive check will be issued within 45 days upon receipt of your completed and approved Incentive Application.

Please note: Additional terms and conditions may apply. Contact us for information.
