Utah Participating Weatherization Contractors

Rocky Mountain Power Home Energy Savings Program

This list of Weatherization Contractors participating in Rocky Mountain Power's Home Energy Savings program is provided **as a convenience only** to our customers.

ATTENTION CUSTOMERS

In order to process your incentive application, receipts should clearly indicate square footage for each area, insulation type and R-values for insulation. Window documentation should clearly state the number of windows, window type and dimensions of each window. A manufacturer invoice or copy of NFRC sticker must be included for each window submitted for incentive. Proof of payment must be on invoice or attached to completed incentive form. Please visit rockymountainpower.net/hes for additional information. Incentives are available for a limited time only.
