## Terms and conditions

### Incentive availability

Incentives are available on a first-come, first-served basis according to the postmark date on the application. Please reference the program Web site at [www.rockymountainpower.net/hes](http://www.rockymountainpower.net/hes) to determine the current status of incentive availability. All equipment must be new and have been purchased and installed prior to submitting an incentive application. It is required that equipment be purchased and installed on or after January 1, 2009. Applications must include all information requested. Failure to provide this information may result in the delay or denial of the incentive.

### Incentive qualifications

In order to receive the Heat Pump Incentive\*, equipment must be a new, air-source split or packaged unitary heat pump with an Air Conditioning, Heating and Refrigeration Institute (AHRI) Standard Rating Cooling Capacity of 65,000 BTU/hr (5.4 tons) or less. Equipment must contain or have a factory or field installed TXV. Split-system equipment must include a new matched condensing unit and new evaporator/fan coil with an overall Heating Seasonal Performance Factor (HSPF) determined by AHRI standard 210/240 and listed in the AHRI Certified Directory of Unitary Equipment. This directory can be found online at [www.aridirectory.org](http://www.aridirectory.org).  
\*Requires that the HSPF ratio of installed equipment meet or exceed 8.2 HSPF for heat pumps as determined by AHRI Standard 210/240.

### Qualifying customers

Residential electric customers residing in the state of Wyoming who purchase their electricity from Rocky Mountain Power on rate schedules 2 or 18 qualify. Landlords who own rental properties served by the company in the state of Wyoming where the tenant is billed on rate schedules 2 or 18 also qualify for this program. You can find your rate schedule on your bill or by calling 1-888-221-7070.

### Qualifying equipment and services

Qualifying products and services may be found online at [www.rockymountainpower.net/hes](http://www.rockymountainpower.net/hes), or by calling 1-800-942-0266. Home improvement incentives available on existing homes only.

### Application details

Rocky Mountain Power reserves the right to conduct random inspections to verify information provided on the application. If your application is selected for review, it will not be processed until the review is satisfactorily completed. Incentive qualifications and amounts are subject to change and termination at any time. Rocky Mountain Power customers should visit the program Web site at [www.rockymountainpower.net/hes](http://www.rockymountainpower.net/hes).

The customer hereby transfers to Rocky Mountain Power all "Environmental Attributes" attributable to the Qualifying Equipment or its operation. Environmental Attributes include any and all credits, benefits, emissions reductions, offsets and allowances, howsoever entitled, resulting from the avoidance of the emission of any substance to the air, soil or water at or by PacifiCorp generating facilities through reduced generation of energy or other savings or offsets on account of the Qualifying Equipment. The customer will not claim ownership of any Environmental Attributes. As long as the customer at the same time states the Qualifying Equipment was made possible with funding from Rocky Mountain Power, the customer may claim that it is facilitating the production of the Environmental Attributes attributable to the Qualifying Equipment.

Rocky Mountain Power issues incentives in the form of checks not utility bill credits. Rocky Mountain Power is not responsible if your dealer or contractor provides inaccurate information about the amount and/or conditions of the actual incentive and Rocky Mountain Power will not pay incentives for equipment that is mislabeled or misrepresented by dealers or contractors regarding incentive qualifications. Households receiving incentives under the Home Energy Savings program may not receive equipment purchase and installation incentives under other company programs.

**Incentive applications must be submitted within 90 days of purchase or installation.**
