

This list includes **participating** and **qualified HVAC program** trade allies participating in the Home Energy Savings (HES) program. An HES program trade ally can be a contractor, plumber or retailer who sells or installs qualifying equipment or performs services for home energy efficiency upgrades.

Customers must use a trade ally on this list in order to qualify for an HVAC incentive. Be sure to review the services offered by each trade ally to ensure they install the specific measure(s) you want to apply for. If you are working with a contractor not on this list, please encourage them to sign up with the program before starting any work. Contractors interested in participating in the Home Energy Savings program should contact the Trade Ally Hotline at (800) 942-0281 for more information

County	P/Q ^[1]	Trade Ally Name	Services	Contact Information
Del Norte	Q	Chimney Kraft	Central air conditioner equipment (CAC) Ductless heat pump	(707) 464-4279 www.chimneykraft.com
